Advance registration required. See web site for deadline.

U.S. Baseball Academy's Spring Training 2010 is a unique concept that provides young players with advanced hitting, pitching and catching training programs, instruction by the area's top high school and college coaches, and fantastic indoor facilities.

- ◆ ***Sessions for grades 1 through 12 include six weeks of instruction for as low as \$99.***
- ◆ ***A national baseball training program operated locally by Site Director Patrick Greer, Head Coach, Finger Lakes Community College.***
- ◆ ***With a player-coach ratio of 6 to 1,*** each player gets plenty of individual attention in a small-group atmosphere. In addition to unbeatable instruction by the area's best high school and college coaches, players get a preseason tune-up that helps them enter team practice in mid-season form. With numerous age-specific sessions, instruction is specially tailored for each ability level. Overall, it's the type of intense, professional instruction young players just can't get in a summer league.
- ◆ ***So, forget about the weather.*** What better way to get a jump on the upcoming season than a six-week Spring Training experience, featuring instruction from some of the area's best coaches in a fantastic indoor facility?
